Sir:

Applicant received a Notice of Allowance dated June 4, 2010 indicating that only some of the priority documents were received. Applicant notes, however, that as indicated in the application data sheet, priority is not based on the two Japanese applications that the Examiner stated were not received. Accordingly, it is not necessary to submit certified copies of these documents. The five priority documents on which the priority claim is based were filed on October 1, 2004.

Accordingly, it is respectfully requested that the Examiner fully acknowledge receipt of the priority documents in a Supplemental Notice of Allowability. If there are any questions regarding this request, a telephone call to the undersigned would be appreciated.

Respectfully submitted,

June 22, 2010
